Request for Audit Correction

Instructions

NOTE: This is not a petition for a degree modification, and is only for use in those circumstances where your degree audit is not functioning properly. To request a modification of your degree requirements, please speak to an academic advisor.

- 1. Officially declare your EVS track and (if applicable) transfer to the appropriate college.*
- 2. Run your degree audit using IDA 2.0. Be sure that you are using the appropriate catalog year (e.g. 2014-2016) and the appropriate degree profile (e.g. B S Environmental Science, Biological Sciences)*
- 3. Complete the attached form in its entirety for each necessary correction. Be sure to include (as requested) the rule and/or line number in your request.*

General Education		Section
#	Done	Requirement
1	<input checked="" type="checkbox"/>	M 408C or M 408K and 408L (or an equivalent) are required for the BS EVS. M 408C or M 408K are required for the core curriculum. (1007147)
